At the Hales. It's 8pm and everyone's ready for dinner, except ... Corny!
Again! She's got an emergency call, and that means another sky high phone bill for us!
Corneeeelia! Get down here!
Just a sec!
What?! With her, that thing?? She's totally hopeless! I saw her yesterday when ...
BLA BLA BLA
Oh, poor thing! I hope they don't have to hospitalize her!
My friend has serious problems with her heart!
No, not her, but if Cornelia's keeping this up, they'll soon have to hospitalize me!

It's just her friend who broke up with her boyfriend who flirted with an unknown girl at the gym ...
How did you know that? Are you eavesdropping on me when I'm on the phone?
Of course not! I ... whatever ... just stop that right away!
Ugh, alright then!
CLIC
NOOOOOOO
217
Honey, we need to talk ... could you please stop writing your SMS now?
But I have to tell Erica that it wasn't my fault that I hung up!
That's it! No more calls for a month!
OOOON
